A link to the Water Quality Report will also be included on City utility bills from April through December 2026.

Residents who prefer a physical copy of the report may request one by calling the Utilities Department at (308) 233-3268.

The City of Kearney is pleased to report that the quality of the water delivered to residents continues to meet or exceed all federal and state drinking water standards established by the U.S. Environmental Protection Agency (EPA) and the Nebraska Department of Environment and Energy (NDEE). The City's water supply is routinely monitored for contaminants, and the public would be notified if drinking water standards were ever exceeded.
